## IBOZIN TABLET

Zinc Carnosine 75mg

## **PRODUCT INTRODUCTION**

**It helps relieve occasional heartburn, supports a healthy gastric microbial balance**

**Reduce mouth ulcers, and stomach ulcers, improve the taste**

**It helps in GERD and restores the gastric lining by healing stomach wounds**

---

## **USES OF IBOZIN TABLET**

**Protecting gastric and intestinal mucosal lining, leaky gut and skin health**

**It helps relieve mild gastritis, and gastric discomforts such as nausea, bloating, and stomach upset**

---

## **BENEFITS OF IBOZIN TABLET**

**Zinc 75 mg Tablet is made with zinc carnosine that has its best evidence for the treatment of both gastric and duodenal ulcers and it also appears to enhance the stomach's mucosal defences providing protection against gastritis, as well as, oxidative damage to stomach cells. Its unique structure is estimated to be three times more effective when it comes to healing than the individual ingredients. It's actually been used in Japan as a treatment for a variety of gastric-related issues since 1994.**

---
